

# THE RHINO LOCK

THE **NEW** WAY TO PROTECT YOUR HOME + FEEL SECURE

- SIMPLE ROBUST LOCK FOR SLIDING DOORS + WINDOWS
- EASY TO USE, KEYLESS
- CHOICE OF COLOURS
- FROM €35 PER LOCK INSTALLED

Sliding doors and windows cannot be opened when **'THE RHINO LOCK'** is in use even if existing locks have been damaged and prevents the doors being lifted out of the frame.

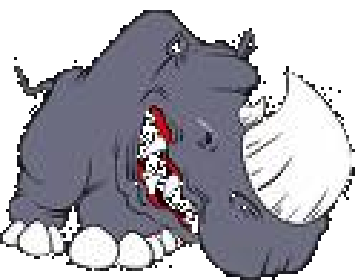

A double pin locking plate secures the two doors together by locating onto a second plate attached to the central uprights of the doors.

100% aluminium, manufactured in England. Standard colours are powder coated finish. Custom colours are spray painted.

Standard colours – white, dark green, grey + silver. Custom colours are available to order at extra cost. Standard colours in stock and can be fitted within 7 days.
